While you and your employees are taking care of business,
we are taking care of you and your employees!

The key to success

is knowing when opportunity knocks!

What is best for your company?

- Do you need anything more than basic workers' comp?
- Maybe you have coverage but just want to find out if you have the best coverage and rate.
- Is your company new and you don't know where to turn?

It takes up valuable time to research the employee leasing markets to get the best coverage, benefits and value. That is where we can help!

From leasing services (payroll with workers' comp), to the right benefits package, including health, life, dental, vision, disability, employee assistance programs, and retirement plans, we have the answer. By partnering with many regional and national providers, we offer a wide range of services at very competitive prices. I-Employer.net service has shopped the employee leasing market for the best providers for your industry. We have found viable solutions for employers that are very attractive to your business.

We know that your time is valuable. We are available for direct appointments if necessary or we can gather all necessary information for a quote via fax, email and phone so as not to impose on your time. After we've received all required information, it should take approximately 3-5 days to provide you with a competitive quote. Find out what many others already know ...
