

ENVIRONMENTAL & PEST CONTROL PROFESSIONALS

While your crews are in the field looking for what bugs your customers, who's looking out for what bugs you?

We are!

Our **i-employer.net** service is watching out for you!

Owners in the pest control/ environmental industry face many challenges. Securing workers' compensation, payroll and benefits don't have to be among them. If you are searching for carriers willing to write employers that come with risk such as chemical/toxins exposure and other industry related hazards, we can help.

In your industry, managers want loyal, long-term employees. To attract and retain valuable employees with the proper training, you sometimes need a good employee benefits packages. We can place your company with providers that

offer comprehensive benefits packages.

From leasing services (payroll with workers' comp), to benefits packages including health, life, dental, vision, disability, employee assistance programs, and retirement plans, we have the answer. I-Employer.net services, partner with many regional and national providers to offer a wide range of services at very competitive rates.

We know that your time is valuable. Our many qualified provider partners allow us to find coverage for hard to place and high risk (high exposure), codes. Our I-Employer.net service has shopped the market for the pestcontrol industry and found not only viable solutions for employers, but solutions that are attractive to your business.

Through our network of brokers we are available for direct appointments or we can gather your information for a quote online, by fax, email or phone so we don't impose on your time. After we've received all required information, it should take approximately 3 days to provide you with a competitive quote. Find out what many others already know .
