

RESTAURANT & FOOD SERVICE PROFESSIONALS

**Take a BITE out of your expenses!
And what do you get?**

Your just desserts!

Our **i-employer.net** service is watching out for you!

It's tough to compete in the food industry. Dealing with the issues surrounding workers' comp and payroll is not getting any easier or less time consuming. Owners are challenged keeping up with compliance issues while trying to focus on "business at hand".

The food industry has issues that others do not. Managers are dealing with everything from constantly fluctuating schedules, part-time employees, low average wages, tip credits, to high employee turnover and child support deductions.

From leasing services (payroll with workers' compensation) to benefits packages including health, life, dental, vision, disability, employee assistance programs, and retirement plans, we have the answer.

I-Employer.net services partners with many national providers to offer a wide range of services at very competitive rates.

Our clients tell us it is frustrating and time consuming for food industry owners to find the best solution for their company. The burden of workers' comp, payroll processing and human resource issues take valuable time out of your day. You need to be focusing on your core business operations to insure your business' success. That's where I-Employer.net service can help.

We know that your time is valuable. Our many qualified provider partners allow us to find flexible coverage solutions for the food services industry. Our I-Employer.net service has shopped the market for the food service industry and found not only viable solutions for employers, but solutions that are attractive to your business.

Through our network of brokers we are available for direct appointments or we can gather your information for a quote online, by fax, email or phone so we don't impose on your time. After we've received all required information, it should take approximately 3 days to provide you with a competitive quote. Find out what many others already know .
