

# TRUCKING, MOVING & COURIER SERVICES

**When your drivers are on the road, so is your business!**  
**Who's helping you keep them out there?**

# We are!

Our **i-employer.net** service is watching out for you!

When it comes to securing workers' compensation coverage, one of the most difficult industries to place is trucking. Over the road exposure, crossing state lines and exposure to high traffic make this industry unappealing for insurance carriers and leasing companies to write.

Our clients tell us it is frustrating and time consuming for trucking industry owners to find the best solution for their company. The burden of workers' compensation, payroll processing and human resource issues take valuable time out of your day. You need to be focusing on your core business operations to insure your

business' success. That's where I-Employer.net service can help.

From leasing services (payroll with workers' comp), to benefits packages including health, life, dental, vision, disability, employee assistance programs, and retirement plans, we have the answer.

I-Employer.net services partners with many national providers to offer a wide range of services at very competitive rates.

We know that your time is valuable. Our many qualified provider partners allow us to find coverage for hard to place and high risk (high exposure) codes. Our I-Employer.net service has shopped the market for the trucking industry and found not only viable solutions for employers, but solutions that are attractive to your business.

Through our network of brokers we are available for direct appointments or we can gather your information for a quote online, by fax, email or phone so we don't impose on your time. After we've received all required information, it should take approximately 3-5 days to provide you with a competitive quote. Find out what many others already know.
